NOTIFICATION OF RENOVATION WORKS OF THE AIR TRAFFIC CONTROL TOWER AT HOSEA KUTAKO INTERNATIONAL AIRPORT (FYWH)

Effective date: 18 November 2026

Validity Period: 18 November 2026 until 23 February 2027

1. PURPOSE

This Aeronautical Information Circular (AIC) serves to notify pilots, aircraft operators, air navigation service providers and other aviation stakeholders of planned renovation work on the Air Traffic Control (ATC) tower at Hosea Kutako International Airport (FYWH).

2. SCOPE OF WORK

The renovation will include site preparation, external repainting, cab roof sealing, cab window replacement, and internal renovations.

3. LOCATION OF WORKS

The renovation site is at FYWH ATC tower which is located on the airside of the airport which is demarcated by a red and white demarcation tape and the scaffolding will be green tagged indicating compliance safety regulations.

4. PERIOD OF RENOVATION

The work is scheduled to commence on 18 November 2026 and is expected to be completed by 23 February 2027.

5. OPERATIONAL AND SAFETY CONSIDERATIONS

All renovation activities will be conducted in coordination with the airport authority and air navigation service provider to ensure the continued safety of aircraft operations.

Pilots and aircraft operators are advised to:

a. Exercise caution when operating in the vicinity of the construction site.
b. Comply with all applicable ATC instructions.
c. Observe any temporary restrictions or safety measures implemented during the construction period.
d. Avoid entering designated construction and restricted areas.

6. ADDITIONAL INFORMATION

During the renovation work, both airport and Air Traffic Control Tower remain fully operational.

Any changes affecting aircraft operations, obstacle limitations, aerodrome facilities or air traffic services will be promulgated through the appropriate aeronautical information publications, including NOTAMs, where necessary.

All safety hazards observed as a result of these activities should be reported to the contact details under 7 below.

7. ENQUIRIES

Further information may be obtained from the relevant airport authority or air navigation service provider on the following contacts:
