

REGULATIONS
Civil Aviation Act 6 of 2016
Namibian Civil Aviation Regulations, 2001

RULES OF THE AIR AND GENERAL OPERATING RULES

PART 90
PERFORMANCE-BASED NAVIGATION

[Part 90 is inserted by GN 293/2018. GN 293/2018 directs that Part 90 should be inserted after the heading “RULES OF THE AIR AND GENERAL OPERATING RULES” in the regulations. There is no such heading in the body of the regulations, but the table of contents of the regulations suggests that the heading should appear as shown above in green type.]

LIST OF REGULATIONS

|---------|--------------------------|
| 90.00.1 | Applicability |
| 90.00.2 | PBN operations |
| 90.00.3 | PBN operational approval |

REGULATIONS
Civil Aviation Act 6 of 2016
Namibian Civil Aviation Regulations, 2001

Applicability

90.00.1 This Part applies to persons, aircraft and operators engaged in commercial or non-commercial operations by manned aircraft registered in Namibia.

PBN Operations

90.00.2 Where an aircraft is configured to use performance-based navigation (PBN), the owner or operator of that aircraft may only operate that aircraft in designated airspace, and on routes or in accordance with procedures where PBN specifications are established, if the owner or operator has been granted an approval by the Executive Director to conduct such operations.

PBN operational approval

90.00.3 (1) The applicant for the approval referred to in regulation 90.00.2 must provide evidence to the Executive Director that -

- (a) the relevant airworthiness approval of the RNAV (aRea NAVigation) system has been obtained;
- (b) a training programme for the flight crew members involved in these operations has been established, including initial and recurrent checking of competence;
- (c) operating procedures have been established specifying -
 - (i) the equipment to be carried, including its operating limitations and appropriate entries in the minimum equipment list (MEL);
 - (ii) flight crew composition and experience requirements;
 - (iii) normal procedures;
 - (iv) contingency procedures;
 - (v) monitoring and incident reporting; and
 - (vi) electronic navigation data management in accordance with Document NAM-CATS-PBN 90.

(2) Applications for PBN operational approval must comply with the detailed provisions for individual categories of PBN operations published in Document NAM-CATS-PBN 90.
